

White Globe

White Globe is Asia's leading Language Service Provider (LSP) offering Translation & Localisation services in more than 350 Foreign and Indian Languages. These services are mainly used by MNC Companies who do business in multiple languages or Indian Multinationals with Global presence. In a short span of Four years White Globe is already servicing more than **1000 clients** across the globe including **more than 50 Fortune 500 Companies**. Right from its inception, White Globe has won several Industry leading accolades like *"The Company of the Year 2019"*, *Best in Translation and Localisation-India*, *Corporate Excellence Award, UK*. *"The Most Admired Language Service Provider in India, CEO of the Year 2019 etc.*

White Globe services are backed by advanced technology and an innovative knowledge centre. The services are delivered maintaining very high level of Quality by a team of highly competent project managers and delivery professionals. White Globe offers a dynamic work environment to encourage innovative thinking and honing one's leadership skills

White Globe is developing a technology platform consisting of Translation Memory, Terminology Management and Term bases to assist our certified translators to enhance and maintain high quality including the ability to develop their own bilingual glossaries in their subject areas. The platform being developed also assists the translator to do Language Quality assessment (LQA) before finalizing the translation. The platform uses Artificial Intelligence, Machine Learning and Deep Learning (Natural Language Processing) to enhance the feature and functionality of the platform.
